

Hey!

If you have a divisional cut you found paperwork in your folder last night. The highlighted events are what you have a cut in. If you are unsure of any or think you have a cut that is not highlighted please let me know!

These sheets are due back into me this Wednesday, February 24th. I can not take any late paperwork.

Each event is \$5 with a \$5 surcharge for the meet. Max of 3 events per day and 6 events for the entire meet.

Please place your name on the top so I know whose sheet it is.

Thanks!

Katie
