PERSONAL TRAINING PROGRAM DETAILS

At the YMCA, our personal training program offers a variety of options to help you get in shape, feel healthier, and achieve your fitness goals. Training sessions are available at both the Parkview Warsaw and Downtown Warsaw YMCA locations.

WHAT YOU CAN EXPECT

- A thorough assessment of your current physical condition.
- A personalized fitness plan tailored to your goals, which may include strength training, lap swimming, sports, walking, biking, running, stepping, jogging, aerobics, treadmill exercises, stretching, or aquatic exercises in shallow or deep water.
- Guidance, education, and motivation from a certified personal fitness trainer dedicated to helping you succeed.

EXCLUSIVE MEMBER BENEFITS:

- YMCA members can enjoy a free 45-minute demo personal training session with a certified personal trainer at either location.
- Flexible package options: choose from as few as 3 sessions per month or up to 16 sessions per month to suit your schedule and fitness needs.

BODY COMPOSITION TEST:

Discover what your body is made of with our BIA Body Composition Test at the YMCA! This quick, non-invasive test measures fat, muscle, water, and bone density, giving you personalized insights to fuel your fitness journey. Led by a certified trainer, you'll receive a detailed report to see your results. Just follow simple prep guidelines and sign up today—online or at the front desk!
